Every month a successful lawyer is called by the college. To inform students about the law field, and for motivate students about law faculty/profession.

- 1) There should be pedagogy lectures for teachers.
- 2) Fulfillment of staff vacancies.
- 3) Preferential focus on quality teaching.
- 4) Teachers should consider mental capacity of every student while teaching.
- 5) Focus should be on inculcating law knowledge in students.
- 6) Development of educational attitude among students.
- 7) Student-Teacher cooperation.
- 8) Try to answer, why students are approaching outside classes?
